Race Rules

We take the conduct of any participant VERY SERIOUSLY! We all have a responsibility to our sport to maintain good sportsmanship & professional behavior. Please realize the establishments that are kind enough to allow us to race on their premises do not have to do so. They are family oriented businesses (as are we) and we both EXPECT ALL participants to keep this in mind and act appropriately.

Therefore, if the following rules are broken, it can result in your disqualification of the event & series and the removal of your lift ticket privileges for that day.

- #1. Helmets are required to race!! (No exceptions!!).
- #2. 17 and younger – Must have parent/guardian sign waiver.
18 and older must sign waiver (Please Note: All Participants (parent/guardian) MUST SHOW Valid Picture ID.)
- #3. You are responsible to listen for your Bib # and be ready for your next Heat.
If you miss your Heat you're OUT! **So please LISTEN for your BIB #.**
- #4. **NO Arguing with Staff.** We have a **ZERO TOLERANCE** for this behavior!!
(You may discuss calmly your concern, but staff have final ruling).
- #5. Swearing or vulgar gestures will not be tolerated (if seen/heard by any Mnt. or race official).
- #6. PLEASE, do not bring your bikes into the building or **“NO BIKE ZONES”!**
- #7. Public drunkenness, under the influence of drugs, or misuse of prescribed drugs is not tolerated.
- #8. Purposeful destruction of another racer's property, staff property or that of the event location is not tolerated.
