Race Rules

We take the conduct of any participant **VERY SERIOUSLY!** We all have a responsibility to our sport to maintain good sportsmanship & professional behavior. Please realize the establishments that are kind enough to allow us to race on their premises do not have to do so. They are family oriented businesses (as are we) and we both **EXPECT ALL** participants to keep this in mind and act appropriately.

Therefore, if the following rules are broken, it can result in your disqualification of the event, series (accumulated points will be revoked) and removal of your lift ticket.

- #1. Helmets are required to race!! (No exceptions!!).
- #2. 17 and younger – Must have parent/guardian sign waiver.
18 and older must sign waiver (Please Note: All Participants (parent/guardian) **MUST SHOW** Valid Picture ID.)
- #3. You are responsible to listen for your Bib # and be ready for your next Heat.
If you miss your Heat you're **OUT!** **So please LISTEN for your BIB #.**
- #4. **NO** Arguing with Staff (you may discuss calmly your concern, but staff have final ruling)
- #5. Swearing or vulgar gestures will not be tolerated
- #6. **PLEASE, Do not** bring your bikes into the building or **“NO BIKE ZONES”!**
- #7. Public drunkenness, under the influence of drugs, or misuse of prescribed drugs is not tolerated.
- #8. Purposeful destruction of another racer's property, staff property or that of the event location is not tolerated.

!!!!!!!!!!!!!!!!!!!!!!!!!!!! & MOST OF ALL, HAVE FUN !!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Winterbike Race Schedules

.....**Very Important FOR ALL RACES & Racers**

LISTEN FOR YOUR BIB/RACER NUMBER TO BE CALLED!!!

- You will be assigned a race number. It may be a race bib or a large paper race plate. If it is a bib, it must be returned. In which case we will be holding your license or credit card for collateral until the race is over. You will need to where the race bib or place your tag on the front of your bike prior to the race.
- According to the race location, you will either be using a lift or you may be pulled up the mountain in a trailer by a Snow Cat. Your number will be called to catch the snow scoot up the mountain. It's very important you do not miss your heat. *This is for both practice runs and the races.*
- The 1st heat will begin at the race start time (please check individual race schedules as they vary), so if you are in the first few heats, you should already be up the mountain by race start time. So be on the lift or the trailer no later than 10-15 min before the race start time.
- Please be sure to review the "4X Race Format" so you have a general idea of how you will advance based on placement. (If you decide to not continue racing, please notify race authorities to be removed from the line up.)
- There will be 1st, 2nd & 3rd winners for both 4X & Speed Run/Big Air Competitions.
